It was certainly a good messenger who brought the news to your house that Ayer's Sarsaparilla makes the blood "rich and red." This means so much to those who are thin, pale, feeble, weak, and nervous. After Ayer's Sarsaparilla has cured you, carry the glad message to a friend or neighbor.

Perhaps you suffer from the effects of a warm climate. Prolonged warm weather seriously impairs the strength of many people. The digestion is slow, and the liver becomes sluggish. Impurities in the blood accumulate and cause that feeble, nervous, and listless condition.

AYER'S Sarsaparilla

is the greatest aid in such cases. Its purifying, strengthening, and rebuilding properties will be of incalculable value to you.

As now made, Ayer's Sarsaparilla contains no alcohol.

There are many imitations of Sarsaparilla.

Be sure you get "AYER'S."

The baseball games yesterday afternoon at Aala Park drew one of the largest crowds of the year, and at the close of the second game every one voiced the games a great success in every way. The first game between the Japanese A. C. and the Palamas resulted in a victory for the Palamas by the close score of 6-5, after fifteen innings had been played.

Both teams played baseball all the way through, and the losers deserve as much credit as the victors. The second game resulted in a victory for the Chinese A. C. over their rivals, the Chinese A. C. by the score of 8-3.

The Paradise and Mercantile teams in the Newspaper league took the honors yesterday afternoon in the games played at the league grounds. The Paradise team defeated the Bulletins by the score of 14-9, and the Mercantile-Star game resulted in a 19-13 score. Both games were brilliant with good plays, but the evening paper teams played in hard luck.

At the annual meeting of the St. Louis Alumni held yesterday morning in their rooms on Union street, the following officers were elected for the ensuing year: President, Dr. J. P. Cowes; vice president, Julius W. Asch; secretary, E. P. McCann; treasurer, M. K. Cook; auditor, W. Chung Hoon Jr.; directors, Jas. L. Holt, W. P. Jarrett, C. A. Long, Jas. A. Williams.

The Oahu baseball team journeyed over to Quarantine Island yesterday morning and met its Waterloo at the hands of the Suspects by the score of 30-4.

The lovers of boxing and wrestling will have an opportunity this week to see plenty of their favorite sports, as some interesting matches are being arranged during the stay of the battleships Maine and Alabama. Sailor Roberts, the crack wrestler of the Territory, is ready and willing to meet any middleweight man artist in the fleet. Murphy and Platt, the two Fort Shafter representatives, will box six rounds and the winner will be given a chance, with some man in the fleet.

Young Nelson will box with the best lightweight in the fleet, and other matches will be announced as soon as the ships arrive.

Independence Hall will be the scene of all the matches, and crowded houses will no doubt be in order on each evening that the battleships are here.

A very interesting game of cricket was played Saturday afternoon on the Makiki field between the captain and vice captain's teams of the Honolulu Cricket Club, the former winning the match by 27 runs.

A good many devotees of the game were on hand and every one had a very enjoyable afternoon.

Bob Anderson and R. R. Catton carried off the honors for the captain's team, while Brown, Beardmore and Grant played the best game for their side.

When the Mauna Kea, flagship of the Inter-Island Co., was in Hilo last week, the baseball team composed of members of the crew played a team composed of the best players in Hilo, and were defeated by the close score of 3-0. Both teams played first class ball, and with more practice the Mauna Kea boys should do very well.

The big league game Saturday afternoon was delayed by some of the Kam players failing to put in appearance, but it was learned afterward that it was not their fault, as the Rapid Transit Co. would not allow them to get

off. At the beginning of the season the Rapid Transit Company promised to allow their employees who were members of the Kam team to get off in time to play, and it is to be hoped that in future games the players will be on hand in plenty of time, as the spectators want to see the games started punctually.

This week promises to be a very busy one in the line of sports, as something will be doing every day that the Maine and Alabama are in port. Baseball, wrestling and boxing, with possibly boat races between crews from the two ships, will be in order. A large crowd will no doubt be on hand at the ball games on Saturday and a very enjoyable week is in store for the lovers of sports.

The Punahou-St. Louis game which was postponed Saturday on account of the rain, will be played at the end of the first series.

Out of respect to the memory of the late Prince David Kawanakoa, the Newspaper League games scheduled for next Sunday, June 21, will be postponed until Sunday, June 28.

Leahli Girl and Makua will race tomorrow afternoon at Kapiolani Park at four-thirty.

The Junior Inter-scholastic baseball teams of Kaahumanu school and Milis Institute will meet this afternoon on the Makiki field at three o'clock.

The Hawaiian Gun Club's shoot at unknown angles will take place on Wednesday afternoon at five o'clock.

The regular weekly meeting of the Kapiolani Baseball League will be held on Wednesday evening at seven-thirty.

The scheduled games for next Sunday in the Riverside League have been postponed on account of Prince David's funeral.

The crack yacht Kamehameha easily defeated her rival the Gady's in the round-the-island race for the Governor's cup, making a new record for the distance. She made the trip in nineteen hours. The race started at 2:20 on Saturday afternoon and finished at 9:08 yesterday morning. The Gady's not finishing until one o'clock in the afternoon.

The Reliance and Twilight teams in the Kapiolani baseball league took the honors yesterday afternoon on the Park grounds by defeating the Tidal Waves and the Highlands. The first game resulted in a victory for the Reliance by the close score of 11-9, and in the second game the Twilights nosed out ahead of the Highlands by a 14-11 score. A good sized crowd was present and in each game there was good ball played.

The Kachos and the Asahi Jrs. took the honors yesterday afternoon in the Japanese League games played on the O. R. & L. Co. grounds. The first game between the Kachos and the Y. M. B. As. resulted in a 13-4 score, and the second game between the Tokiwas and the Asahi Jrs. in a 7-3 score.

BUNTS

The Chillingworths, three Williamses, two Brunses and two Vannattas were all in the family score card Saturday.

Fernandez, Evers, Omos and Mackenzie were certainly out with their bunting bats as each one in turn played the game from that end.

It seems almost impossible for Reuter to handle a bunt and then pass it to first without shooting it. Several times he has overthrown on an underhand try.

Eddie Fernandez played the game all by himself at several different times. His handling of Coste lo's place at the second bag shows his ability to master any position.

An effort will be made on the part of the league officials to get the games under way on time after this, as Saturday's crowd were not slow in showing their uneasiness at the delay.

Jack Vannatta, who has played the game before, both in Honolulu and Hilo, broke out into a few new ones, showing especially good form with the willow. Like "Brother Bill," he has the ball always in sight, even on bases, and managed to put the high sign on Davis.

Punahou was there with one of the best line-ups of the season to snow the Saints how to play, but owing to the rain coming up Punahou will never again have such an opportunity, as the Saints were out with the weakest team of the season. "Just some more of that St. Louis luck," says Doc Monsarrat.

When a runner is forced to the plate every catcher here tries to tag him with the ball, when a gentle tap on the plate is all that is necessary. Not long ago, in the California State League, a player had his skull crushed by being forced from third and crashing into the catcher's knee as he slid to the plate, being almost instantly killed.

Some of the Diamond Head players did not take kindly to the joshing of

Jack Doyle and were not slow in telling him know it when the game was over. Jack is one of the cleanest and best rooters this country has ever had, and is doing more to further the interest in baseball than all the other fans put together, and any player that takes offense at remarks from the bleachers should take a day off and learn how to take a josh.

FANCY DANCING BY YOUNG FOLKS

MRS. GUNN'S PUPILS GIVE AN ATTRACTIVE EXHIBITION AT THE MOANA HOTEL.

The Moana Hotel dining room was crowded Saturday night by local people who were there to witness an exhibition of fancy dancing given by the pupils of Mrs. Mary Gunn's dancing class. The evening was a great success from every standpoint. One of the best numbers was that of the "King's Guard" in which twelve youngsters appeared in fancy dress of orange and black and marched, counter-marched and wheeled with a most military precision.

Little Kinau Wi der and Heleae Morgan brought down the house with their Highland Schottische, both being in regulation kilts and dancing most cleverly. The two little Center girls were as usual a favorite attraction and received many flowers. Vernon Tenney sang "It's Nice to Have a Sweetheart", in a very sweet voice, but the acoustic properties of the hall were so poor that it was hard to hear the words. Thelma Murphy, in her song, "Betsy, the Belle of the Bathers," had no trouble on this score, her voice having surprising volume for one so young.

Alma Ferguson and Edith Kibling,

Why "VUDOR" PORCH SHADES Are Needed

You need Vudor Porch Shades to get the most out of your porch.

To make it a spot where you can rest or work on the hottest days—outdoors, yet free from the sun's glare and heat.

You can do this with Vudor Porch Shades; you can add to the house another room, cool and shady, where you may enjoy every refreshing breeze, in secluded comfort.

Vudor Porch Shades are very durable, and will last many seasons. Another good feature about them is the peculiar fact that those sitting on the porch can see out, but passersby cannot see in. In other words, you have complete privacy, and can use the porch or veranda the same as an inside room, with infinitely more comfort on hot days.

Vudor Porch Shades are just the thing for "boxing in" porches or balconies that are to be used as outdoor sleeping or living apartments.

Vudor Porch Shades are made of thin, flat strips of Linden Wood, closely bound by strong Seine Twine, in a lock-stitch weave.

They are artistically stained in soft, pleasing colors. These colors are

weather-proof, and will not fade or crack off.

The shades can be instantly raised, or lowered (operating on the principle of a theatre curtain) and are easily and readily put up.

as "The Fairies," made a great hit in their dance which was both graceful and dainty. The final number, the Minuet, in which four sets were formed, was very good indeed, and Mrs. Gunn's pupils did credit both to themselves and to her teaching.
